

Saint Anthony Falcon News

We at St Anthony School are grateful for all the contributions of time, energy, and financial support from our Parishioners at St Anthony of Padua, Parents of St Anthony School and Columbus Grove Community. Because of the loving support, our students receive a First Class Religious and Academic Education. A special thanks to the Parent Guild, School Advisory Committee, Athletic Board, the Purse Bingo Committee, hot lunches parents, hot sandwiches parents and grandparents, recess monitors, field trip chaperons, Catholic Schools Week Volunteers, Children Festival Volunteers, and community business that support our efforts. On behalf of the staff and myself I would like to thank everyone mentioned and those not listed for what you do for St Anthony School. Everyone has made my job exciting and gives me pleasure in looking forward to next school year. **May God Bless**

All Students were asked what they like about attending St Anthony School this year.

This is what students K– 8 had to say:
